

The Announcer

INTRODUCTION:

Add style to your voice to make an announcement using The Announcer by Gooley Audio. When engaged, The Announcer will make reverberatory echoes that fill the room, adding a fun way to make your voice heard.

OVERVIEW

(0) Gooley Icon: Hover over the Gooley icon to display a tooltip with the current plug-in version number.

(0b) Bypass: Click the Gooley icon to bypass the plug-in. When bypassed, the icon changes color, and a tooltip indicates that the plug-in is inactive.

(1) Preset Menu: Click to view the full list of saved presets. Use **Ctrl+Z** to undo and **Ctrl+Y** to redo.

(2) Preset Navigation: Use the arrow buttons to scroll through presets and quickly switch between them.

(3) Save Preset: Click the save icon to save the current settings as a preset. Presets are stored locally in the user's preset folder.

(4) Tooltip: Displays helpful information and guidance for the selected control.

(5) Announcement: Click to engage the announcer.
