

Saxophone 2:

Let these marvellous melodies sink in! Saxophone 2 remains flirtatious and fiesty, without ever losing its tightness and groove. From dinner jazz to reggae, this variety of playful licks and minimal motifs is sure to entice your listeners' ear. Saxophone 2 focuses on the slow grooves and soft tones. Dress your mix in a musical suit and tie with Saxophone 2!

Saxophone 2 – another exciting release from the Image Sounds Artist Series focuses exclusively on the recording of live instruments and vocals, all recorded by professional musicians. Every recording is produced with high-quality recording equipment to capture the natural sound of the instrument.

Saxophone 2 is an extraordinary collection of saxophone loops for all your pop, funk, score chill out, lounge, hip hop, jazz or rock production needs. You'll notice not only the textbook quality but also the variety and precision of the editing we are eager to produce.

The product is 320 MB in size all in all. The tempos range between 61 BPM – 97 BPM. The library contains 12 folder and offers a total of 396 saxophone loops in many different musical styles.

With each saxophone folder you will get a huge selection of different loops, all of which work well together or can be used individually. All loops of a folder are based on the same harmony pattern and can easily be combined. Thus you can select saxophone loops for a complete song or just use a sample for your song – all within seconds. These loops are easy and intuitive to work with, enabling a fast workflow, which, of course, is essential in music production.

Each and every loop contains tempo and key information. They are pre-mixed and ready to use, with perfect EQ and light compression. They have been carefully and professionally recorded by proven experts, using top quality studio equipment, with sound optimized and recorded in 24 Bit and 44.1 KHz.

Important: Please note that except the saxophone all instruments are for demonstration purposes only and not part of the library.
