

70s Guitar – Rock & Pop

Introducing the 70s Guitar Sample Pack – a collection of vintage guitar samples that will transport you back in time to the golden age of rock and roll. This pack features an extensive selection of hand-recorded guitar sounds from the 1970s, capturing the essence of that classic era and providing you with an authentic toolkit for your music production.

Each sample has been recorded with care, preserving the unique character and tonality of the guitars used in the 1970s. From the smooth, warm sound of a Les Paul to the crunchy, biting tone of a Stratocaster, this sample pack covers all the essential guitar sounds of the decade. The 70s Guitar Sample Pack is the perfect choice for anyone looking to infuse their music with a touch of retro flair. Whether you're a producer, composer, or guitarist, these samples will help you bring a touch of that classic 70s vibe to your music.

Get your hands on the 70s Guitar Sample Pack today and start incorporating these timeless guitar sounds into your music! With its high-quality samples and intuitive folder organization, this pack is an essential tool for anyone looking to add a touch of classic guitar magic to their music.

Structure:

With each guitar folder, you get a huge selection of different loops. You can choose guitar loops for an entire song or just a sample for your song. These loops are easy and intuitive to work with, allowing for a fast workflow, which is essential in music production.

Recordings:

The recordings and sound designs are made with professional-grade recording equipment to capture a tremendous closeness of each sound. You will be blown away by not only the reference-level quality but also by the variety of samples and the quality of their processing. Each and every loop contains tempo and key information. They are pre-mixed and ready to use, with perfect EQ and light compression. They have been carefully and professionally recorded by proven experts, using top quality studio equipment, with sound optimized and recorded in 24Bit and 44.1 KHz.

Important:

Please note that except the guitar all instruments are for demonstration purposes only. All loops in this product are 100% royalty-free, which means that after purchase you can use these loops in your productions without paying any hidden costs.
