

Pop Piano:

Packed full of positivity – ,Pop Piano‘!

Inspired by legendary piano singer-songwriters such as Elton John or Billy Joel, ,Pop Piano‘ comes with bright and lush chords, exciting comping and captivating topline. With balladesque to uptempo feels in the blink of an eye and a diverse choice of harmonic patterns, ,Pop Piano‘ is sure to keep your listeners interested. This sample collection is not only a perfect production tool but can also be a source of inspiration for your own songwriting.

Structure:

The product contains 24 different BPM folders. With each folder you will get a huge selection of different loops including turnarounds. All loops of a folder were played on the same harmony pattern. For each harmony pattern, different piano themes were recorded. Additional overdubs were recorded, which are located in a separate folder. So there is always the possibility of creating new, unique piano melodies and themes. The possibilities are almost inexhaustible. Thus you can select different loops for a complete song or just use a sample for your song. These loops are easy and intuitive to work with, enabling a fast workflow, which, of course, is essential in music production.

Recordings:

In each folder you get a huge selection of piano loops that were carefully and professionally recorded at 24-bit, 44 kHz by proven experts, using top-quality studio equipment, with sound optimized. The piano was recorded with both Neumann TLM 103 and Neumann SM 2 microphones so you can decide for yourself how the sound of the piano should be. You can select piano loops for a complete song or just use a sample for your song. These loops are easy and intuitive to work with, enabling a fast workflow, which, of course, is essential in music production. They are pre-mixed and ready to use, with perfect EQ and light compression. Each loop contains tempo and key information.

Important:

All loops in this product are 100% royalty-free, which means that after purchase you can use these loops in your productions without paying any hidden costs.

Please note that except the piano all instruments are for demonstration purposes only.
