

Pro Instruments Bundle Essentials 2

• Total Packs: 15 • Total Size: 28 GB • Total Loops: 10703 • Played And Performed Live • Tempo & Key Labelled • Licensing: 100% Royalty Free • Format: WAV • Bit Depth/Rate: 24 Bit & 44.1 Khz

This could be the only instrument loop library you'll ever need. The Instrument Bundle includes 15 distinct instrument loop collections, covering some of the most popular genres and styles — from pop, rock, and funk to reggae, reggaeton, and Latin. Altogether, you'll have access to over 10,703 instrument loops, each one performed live by professional musicians. The Pro Instrument Bundle - Essentials 2: Precision-made loops for the modern producer.

Product List:

- American Punk Rock Guitars: 2,35 GB • 857 Loops From classic skate punk vibes to raw punk rock energy, this pack delivers the true basement-show feel. Whether it's dirty power chords or ripping leads, crank up the distortion and keep your punk spirit alive.
- Funk Guitars: 3,59 GB • 851 Loops Funk Guitars delivers the snappy attack of a Fender Stratocaster and Telecaster, the smooth sustain of a Les Paul, and the rich warmth of tube amps. Packed with classic funk riffs and modern grooves, this collection brings authentic '60s and '70s funk energy to your tracks.
- Reggae Horns: 850 MB • 519 Loops Pro Drums Reggae are full of original ideas, yet still deeply rooted in the traditional rhythm and style of Reggae music. Cutting rim clicks, both ringy and fat snare sounds and super thick bass drums played in a variety of grooves and fills in different tempos.
- Pop Guitar 3: 3,2 GB • 911 Loops Pop Guitar 3 delivers a fresh collection of modern pop guitar loops, packed with unique melodies, licks, and riffs inspired by today's biggest hits. Featuring both acoustic and electric guitar, these radio-ready loops bring the perfect vibe to your tracks.
- Nylon Guitar - Latin Music: 1,24 GB • 500 Loops This pack features lead lines, chords, and authentic Latin American playing techniques like fingerpicking, strumming, arpeggios, plucking, and melodies, all captured with a mic for that rich, true sound. It's everything you need to create your own latin fiesta.
- 70s Guitar - Rock & Pop: 1,36 GB • 616 Loops Step back in time with the 70s Guitar Sample Pack, a collection of vintage guitar sounds. Featuring hand-recorded samples of iconic guitars like the smooth Les Paul and crunchy Stratocaster, this pack brings authentic 1970s tones to your productions. Perfect for adding a retro flair to your music.

- **Cinematic Harp: 793 MB • 249 Loops** Cinematic Harp offers expertly played loops on a Concert Harp, featuring techniques like arpeggios, glissando, plucking, trills, and pluck-and-mute. Each loop captures the magic of a professional harpist, adding cinematic depth to your music.
- **Accordion - Latin Styles: 1,3 GB • 528 Loops.** A dynamic sample pack filled with latin, reggaeton, and Balkan rhythms. Featuring techniques like bellow shake, tremolo, glissando, chords, and strumming, these loops bring rich, rhythmic diversity to your tracks.
- **Bagpipe: 1,1 GB • 616 Loops** Experience the powerful sound of bagpipes with our exclusive library, featuring loops from the Great Highland Bagpipe and Borderpipe, played by the musician who performed for the film Dune. Perfect for creating haunting soundscapes, film scores, or adding Celtic charm to your music.
- **Cavaquinho - South American Ukulele: 1,23 GB • 497 Loops** A lively collection of South American rhythms and melodies, including latin and latino pop. Featuring strumming, downstroke, upstroke, fingerpicking, and glissando, this pack captures the essence of the Cavaquinho, a key instrument in Brazilian styles.
- **Flute 2: 328 MB • 512 Loops** Flute 2 brings a unique blend of mellow, slow tones and rhythmic, harmonic percussion to your tracks. Featuring live recorded flute loops, this collection offers crystal clear trills, top lines and an organic flavour perfect for pop, funk, jazz, hip-hop, lounge and more.
- **Rock Bass: 850 MB • 550 Loops** The Rock Bass sample library brings energy and groove to your rock productions with expertly recorded bass loops. Featuring both amp and DI loops, this collection covers a wide range of styles, from rock to punk, providing the punch and rhythm needed to drive your tracks.
- **Saxophone 2: 320 MB • 396 Loops** Saxophone 2 brings a playful, flirtatious energy to your tracks with smooth grooves and soft tones. Perfect for pop, funk, jazz, reggae, and more, this collection of live-recorded saxophone loops adds a warm, organic feel to your compositions.
- **Trumpet - Latin & Reggaeton: 640 MB • 528 Loops** This library brings the vibrant energy of Latin and Reggaeton to your compositions. With dynamic trumpet loops and a variety of mute options including cup mute, harmon, straight mute, plunger and regular, this collection captures the essence of live brass performance.
- **Pop Piano: 6,6 GB • 3030 Loops** Packed full of positivity – ‘Pop Piano’ is your go-to collection for bright chords, exciting comping, and captivating toplines. It offers everything from ballads to uptempo feels with diverse harmonic patterns. With additional overdubs and a variety of piano themes for each pattern, the possibilities are endless for creating unique, inspiring melodies and themes.

With each folder, you'll have a wide range of different loops at your fingertips. You can select loops to fit an entire song or use a sample to add flavour to your own production. These loops are easy to use and straightforward to work with, allowing for a fast workflow, which is crucial in music production.

Each loop comes with tempo and key information, making them easy to integrate into your project. They are pre-mixed and ready to use, with impeccable EQ and smooth compression. They have been skilfully and meticulously recorded by experienced professionals using top-of-the-range studio equipment, and the sound has been optimised and captured in 24-bit/44.1kHz quality.
