Whether you're looking for layers, added groove or catchy motifs, 50s Guitar is the perfect addition to your production.

Recordings:

The recordings and sound designs are made with professional-grade recording equipment to capture a tremendous closeness of each sound. You will be blown away by not only the reference-level quality but also by the variety of samples and the quality of their processing. Each and every loop contains tempo and key information. They are pre-mixed and ready to use, with perfect EQ and light compression. They have been carefully and professionally recorded by proven experts, using top quality studio equipment, with sound optimized and recorded in 24Bit and 44.1 KHz.

All loops in this product are 100% royalty-free, which means that after purchase you can use these loops in your productions without paying any hidden costs.
