Product List:

-
- Pedal Steel Guitar 2: 1,36 GB • 1034 Loops Pedal Steel Guitar 2 delivers authentic country vibes with rich, expressive performances on a 1982 Emmons Pedal Steel and its 40-year-old large single-coil pickup for that unmistakable vintage tone. You have complete control over your sound with both mic and DI recordings.
- Country Fiddle: 1,3 GB • 498 Loops Country Fiddle brings you the unmistakable charm of country fiddling with live-performed violin loops, capturing that authentic twangy flair. Featuring techniques like staccato, double stops, slurs, vibrato, trills, slides, and bendings. Perfect for bringing that golden era country feel to your music.
- Blues Guitars: 1,64 GB • 468 Loops Blues Guitar blends the soul of classic blues with modern energy, featuring the gritty tones of a Fender Strat and Tele, the sustain of a Les Paul, the twang of a Dobro, and raw six-string acoustics. Paired with classic amps, this collection delivers authentic blues tones, perfect for everything from slow ballads to foot-stomping jams.
- Jazz Guitar - Electric Edition: 2,4 GB • 922 Loops This collection features 922 expertly recorded guitar loops, captured with both mic and direct input (DI) for an organic, immersive sound. Perfect for a wide range of projects, from mellow jazz to energetic grooves, offering seamless integration into your workflow and enhancing your sonic creations.
- Electric Piano Soul: 6,6 GB • 2156 Loops Electric Piano Soul brings the timeless charm of the Wurlitzer electric piano with authentic, live-recorded loops. Featuring both AMP and DI options, this collection offers versatility to shape the sound to your creative needs, capturing the warmth and character of the retro soul vibe for your music.
- 50s Guitar: 1,52 GB • 1187 Loops 50s Guitar brings the classic rock'n'roll vibe with groovy riffs and bluesy melodies inspired by legends like Elvis Presley and Buddy

Holly. Perfect for adding layers, groove, and catchy motifs to your tracks, it captures the timeless sound of the 50s.

- Banjo 2: 670 MB • 435 Loops Featuring live-performed loops with techniques like rolls, hammer-ons and pull-offs, slides, chords, strumming, double stops, and palm muting. It's perfect for country ballads, folk tracks, or modern country hits.
- Cello - Folk And Pop: 2,83 GB • 620 Loops Enrich your music with the soulful charm of the cello. Perfect for folk, indie and pop styles, this pack offers a wide range of loops featuring techniques such as legato, staccato, détaché, spiccato, pizzicato, double stops and glissando.
- Country Guitars: 1,82 GB • 725 Loops This collection features Acoustic Guitar, Dobro, Banjo, Electric Guitars (Tele, Strat), and Mandolin. From soulful ballads to up-tempo tracks, it offers a mix of twangy riffs, mellow strumming, and rich instrumentals, giving you plenty of flexibility for your projects.
- Electric Guitar Melodies: 1,5 GB • 492 Loops "Electric Guitar Melodies" offers top-line and hook melodies in indie, folk, and pop styles. With AMP and DI options, each loop is expertly performed by a skilled guitarist, adding organic, catchy melodies to your tracks.
- Folk Harmonica: 506 MB • 426 Loops Folk Harmonica offers live-recorded loops with techniques like single notes, tongue blocking, overblowing, overdriving, chords, and tremolo. From melancholic wails to lively choruses, bringing the passion and authenticity to your tracks.
- Nylon Guitar - Singer Songwriter: 950 MB • 652 Loops The Nylon Acoustic Guitar Sample Pack offers authentic, live-recorded nylon guitar loops, perfect for pop, singer-songwriter, and indie styles. With mic and DI options, it brings warmth and emotion to your compositions.
-
- Violin - Folk & Pop 2: 1,2 GB • 287 Loops Violin 2 - Folk & Pop brings heartfelt emotion and charm to your compositions. This collection features beautifully played violin loops, perfect for adding depth to folk and pop tracks. Recorded by a skilled violinist, the loops capture rich tones and vibrant rhythms.
- Indie & Folk Guitar Vol 3: 2,5 GB • 580 Loops Indie & Folk Guitar Vol. 3 is packed with fresh guitar riffs, melodies, and chord. Featuring acoustic guitar, electric guitar, mandolin, banjo, and ukulele loops, this collection offers a wide variety of sounds. Making it easy to add vibrant, dynamic guitar elements to your music.
- Jazz Trumpet: 856 MB • 628 Loops Take your jazz productions to the next level with the handcrafted Silverart trumpet and professional performance. Featuring live played loops in Cup, Harmon, Straight, Plunger and Regular Mute styles, this

collection offers endless possibilities to shape your sound and capture the true character of the trumpet.

With each folder, you'll have a wide range of different loops at your fingertips. You can select loops to fit an entire song or use a sample to add flavour to your own production. These loops are easy to use and straightforward to work with, allowing for a fast workflow, which is crucial in music production.

Each loop comes with tempo and key information, making them easy to integrate into your project. They are pre-mixed and ready to use, with impeccable EQ and smooth compression. They have been skilfully and meticulously recorded by experienced professionals using top-of-the-range studio equipment, and the sound has been optimised and captured in 24-bit/44.1kHz quality.
