CinePiano

 Muse Sounds Edition

The **CinePiano - Muse Sounds Edition** is crafted exclusively for the Muse Sounds engine: derived from the Cinesamples library "CinePiano" and carefully optimised for playback from notation.

CinePiano is a 9' Concert Grand Piano sampled by hand at the legendary MGM Scoring Stage at Sony Pictures Studios in Los Angeles.

Instruments Included

Concert Grand Piano

Key Articulations

Sustain

Release

Playback Details

The piano several velocity layers, from pp to ff to conform perfectly to notation dynamics.

Using CinePiano with the other Cinesamples instruments will give a natural balance across all instruments.

About Muse Sounds Editions

Muse Sounds Editions are exclusively created editions of sample libraries, designed to work with the Muse Sounds Engine, found inside MuseScore Studio and StaffPad.

These editions are derived from the same content, but are not compatible with Kontakt or VST versions of the same library.

CinePiano

 Muse Sounds Edition

The Muse Sounds concept is to distill the technical and sonic achievements of complex, vast sample libraries, which were often created to be triggered via complex MIDI programming, into a simple, musical and intuitive experience for composers who work with notation.

The Muse Sounds team is proud to work with prestigious sample developers, and to bring these beautiful sounding creations to life for the notated page.

Thank you for supporting Muse Sounds!
