Muse Sounds Edition

Vienna Symphonic Library

Vienna Piano

The **Vienna Piano - Muse Sounds Edition** is crafted exclusively for the Muse Sounds engine: derived from Vienna Symphonic Library's acclaimed Synchron Concert D-274 and carefully optimized for playback from notation.

This collection brings the artistry of VSL's flagship samples to the world of notation-based scoring. Featuring a meticulously sampled Steinway & Sons D-274, this esteemed concert grand redefines realism and expression in digital scoring, offering unprecedented control over every nuance of your performance. Recorded at the legendary Vienna Synchron Stage, the Vienna Piano captures the full spectrum of the piano's tonal range, from the softest pianissimo to the boldest fortissimo, all with unmatched clarity and depth. Perfectly suited for both solo piano compositions and orchestral scoring, this instrument integrates seamlessly into any production, providing a natural, responsive playing experience that enhances your musical ideas.

> (i) Tip: While you can combine Vienna Piano with any other sample library, using Vienna Piano with other Vienna Series instruments will give a natural balance across all instruments from the common recording space and microphone placements.

About Muse Sounds Editions

Muse Sounds Editions are exclusively created editions of sample libraries, designed to work with the Muse Sounds Engine, found inside MuseScore Studio and StaffPad.

These editions are derived from the same content, but are not compatible with Kontakt or VST versions of the same library.

The Muse Sounds concept is to distill the technical and sonic achievements of complex, vast sample libraries, which were often created to be triggered via complex MIDI programming, into a simple, musical and intuitive experience for composers who work with notation.

The Muse Sounds team is proud to work with prestigious sample developers, and to bring these beautiful sounding creations to life for the notated page.

Thank you for supporting Muse Sounds!
